VICTOR N. RICHARD, III
Commissioner

Dear Bobby,

I would like to take this time to thank you for your interest in Mitchell Playground. When you came to me several months ago, I was very excited by your ideas for improving the Playground. I was equally impressed with your enthusiasm and maturity.

You showed very good leadership skills, as you coordinated several projects. As you know, your troupe did a major clean up of the entire grounds. Then you oversaw another day of painting inside and out. Since then, you have done a great job at maintaining what you have done with smaller crews of volunteers. You also secured a new American flag which has since been flying proudly.

Your hard work, and that of Troup 111, have coincided with other improvements to the playground. The Department of Recreation, and City Councilman Brian O'Neill, have taken notice, and have joined the cause. New playground equipment was installed, and new landscaping was put into place.

As Supervisor of Mitchell Playground, I would like to again thank you for everything you have done. You are truly a fine young man. Your parents, and the Scouts should be very proud of you.

Thanks,

Art McQuoid
