

Dear Scout Leaders and Boy Scouts  
of Christ Our King Parish,

On the feast of Christ the King,  
your troop surely reached out in  
service to others... as is the meaning  
of that feast! Your efforts at  
collecting and distributing food  
for the needy has been an  
abundant blessing for this  
Kensington neighborhood. The  
gave much of the food out this  
week... and that will continue  
throughout the winter. Thanks  
to you, our emergency cupboard  
is well stocked for the months to  
come.

The spirit of service, so notable  
in the Boy Scouts, was truly evident

in all that you did for us last weekend.

Wesley

Thank you for  
down here, too!

I pray that you + your families  
are blessed in the same way  
you are blessing for us!
